About me —

MIPT alumni. Last years I work in the field of computer vision. I prefer opensource, always involved in self-and professional development.

Skills -

computer vision

MLOps

SQL * R * C++

Python * Linux * LATEX

Russian \star C2 English \star B2 Tatar \star B2 Spanish \star A1 Turkish \star B1

(*)[language proficiency]

Education -

MSc, ΦAKT MIPT ($M\Phi TU$) $2022 \mid Moscow$

BMath, Кафедра теории функции и приближе-

КФУ Институт Механики и Математики 2014 | Kazan, Russia

Experience

Feb 2022 — Now Machine Learning Engineer

Innopolis University

• tasks:

semantic segmentation of medical data

• instruments:

- torch, python, tfs

Jul 2019 — Feb 2022 Data scientist, comp. vision

Avtodoria

• tasks:

 deep learning models (semantic segmentation) from scratch to prod

- applications with HD map and geodata

- image and geodata processing

• instruments:

- python, bash, git, docker, pytest

- opency, torch, geodandas etc.

Sep 2017 — Data Scientist Oct 2018 Maxima

mail.ru

• tasks

 We were focused to create an application based on the bayesian statistics to replace people.

 Statistical analysis of the data: finding and fitting distributions, checking the hypotheses

 \bullet instruments: python, r, pandas, sklearn, stats models etc.

Events)

Main events since 2014

Sep 2020 -Now Big data academy

student

• learned subjects:

- advanced python: pytest, logger, rest services

- introduction to algorithms and data structures

- geodata analysis: typical problems, geopy, geopandas

- machine learning on graphs: networkx, dgl

 machine learning in production: git, docker, dvc, mlflow, airflow, kubernetes, cicd, reproducible code

- advanced ml: based on the bayesian statistics etc

2014, 2015 Summer School

Innopolis University

• Courses of HPC (High Performance Computing)

• Certificate of the professional development

2014 School for young specialists

Intel

• Courses of HPC, Intel programs for HPC

2014 Summer Bioinformatics School

Bioinformatics Institute

• Bioinformatics courses

Certificates

Yandex.disk folder for certificates

Interests etc.

Science, music, self-education, languages (speaking and programming)

Future aims

DevOps, reinforcement learning, ROS, SLAM
